In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class, i.e. **Saturday 20th February 2010**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

DOGS IN CARS ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm.

Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

10. The mating of bitches within the precincts of the Show is forbidden.
11. **BEST PUPPY IN SHOW**
Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the day of the Show. Where the Best in Show is a puppy it will automatically be Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
Withdrawal from Competition. Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes, prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten.
A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.
12. **Proviso**
For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
13. **BEST IN SHOW**
The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show.
Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.

Withdrawal from Competition. Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than Breed Classes, prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

Proviso

For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.

14. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor.

17. **DOGS IN CARS ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the dog's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

18. **Not for Competition:** Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

19. Exhibitors' Passes as per Kennel Club Show Regulations.

20. Should either of the Judges be prevented from fulfilling their engagement the Committee reserve the right to appoint another in their place. Exhibitors will, in that case, be at liberty to withdraw from competition but no entry fees can be returned.

21. No animal other than an Exhibit duly entered at the Show will be allowed within the precincts of the Show during its continuance.

22. All dogs must be registered or transferred at the Kennel Club before the Show.

23. Should any question arise not provided for in these Regulations the decision of the Show Manager shall be final, subject only to appeal to the Kennel Club.

24. **EXERCISE AREA.** An Exercise Area will be provided. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed Show within the licensed venue and within the environs of that event including car and caravan parks and approaches.

Anyone failing to clear up will be reported to the Committee who may enforce the right to refuse entries from the exhibitor for future shows.

25. The Committee intend to refuse entries for future Shows from exhibitors found to have left dogs in cars and in a distressed condition. **Remedial Action will immediately be taken.**

26. **PHOTOGRAPHY & VIDEO RIGHTS.** The organisers would like to bring the show regulations on photography and filming to the attention of exhibitors, trade stands, press and visitors.

Show Regulations: The taking of photographs and video footage in the exhibition premises for sale or reward is strictly prohibited except with the written permission of the Society. The Society reserves the right at their absolute discretion to confiscate cameras and/or films for infringement of this condition. There is no objection to members of the public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of the classes or after the Challenge Certificate is awarded. Filming and flash photography is only allowed from outside the rings unless the operation of the camera is actually affecting exhibits. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Society. If the organizer's consider film footage to be detrimental to the breed The Society reserve the right at their absolute discretion to confiscate cameras and/or films for infringement of this condition. There are also certain restrictions on the use of cameras for still photography and private video film.

TRADE STANDS

The Committee can accept no responsibility for products advertised or sold by standholders at the Show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
